AUTHOR INDEX

	Vol.	Pt.	Pgs.
Discussion on papers on Tea Manufacture read at the 9th T.R.I. Conference	22.	1.	24
Discussion and comments on papers on mechanical plucking; Pathological problems; and the work of the Institute read at the 9th T.R.I. Conference	22.	1.	34
ANON			
Plucking—The Case for Longer Rounds in Uva ...	22.	2.	51
BAKER, V. C. & HAWORTH, F.			
Questions and answers on Manurial Problems	23.	3.	81
CHILDERSTONE, W. J.			
Importance of Replanting	24.	1 & 2.	21
DOWSON, W. J.			
Review of 'Tea Pests & Diseases and their control' *by Ernest Hainsworth*	24.	1 & 2.	50
COULTAS, W. H. W. & PORTSMOUTH, G. B.			
Questions and answers on Banji and Plucking	24.	3.	68
EDITORIAL			
The Ninth Biennial T.R.I. Conference (1951)	22.	1.	1
The Control of Pests, Diseases and Weeds	23.	3.	58
FERNANDO, T. M.			
Desmodium ovalifolium as a cover crop for tea	22.	2.	49
GATEHOUSE, R. C.			
Blister Blight control in Dessford Group in 1951 ...	23.	1.	15
GOONETILLEKE, THE HON. SIR OLIVER			
Foreword to 'The importance of tea factory organisation' *by G. K. Newton*	23.	3.	88
Address by the Minister of Agriculture and Food at the 10th T.R.I. Conference	24.	1 & 2.	4
GORRIE, R. M. & WORTHINGTON, T. B.			
The identification of Australian wattles (Acacias) introduced into Ceylon	23.	3.	73

	Vol. Pt. Pgs.
HAWORTH, F.	
Compost	22. 3. 104
On the use of coir dust in manure mixtures	22. 3. 107
Distribution of copper containing dusts	22. 3. 118
Note on phosphate availability after Guatemala grass ...	22. 4. 136
Minor element nutrition of the tea bush in Ceylon ...	23. 3. 67
A note on boron deficiency of brassicae on St. Coombs ...	23. 3. 86
The establishment of Green Manures in mature tea areas ...	23. 4. 114
ILLANKOON, R. L.	
Tea small holdings advisory service	23. 1. 18
KEEGEL, E. L.	
Common problems in tea manufacture	22. 1. 20
Relation of coarse plucking to quality of made tea ...	22. 3. 112
Studies in Blister Blight control—9. The effect of spray residues on the quality of manufactured tea	23. 1. 2
The principles of manufacture	24. 1 & 2. 23
Vegetative propagation of tea—the manufacturing aspect ...	24. 4. 82
LAMB, J.	
The work of the Institute.—(Review at 1951 T.R.I. Conference)	22. 1. 31
The maintenance of fertility in tea soils	22. 2. 45
Introductory lecture to crop protection courses in 1951 ...	22. 2. 55
Fungicides and their application	22. 2. 79
Crop protection by wet spraying compared with crop protection by dusting in 1951	23. 1. 12
A dissertation upon drink	23. 2. 40
A note on manurial mixtures	23. 3. 87
The tea industry	23. 4. 100

	Vol.	Pt.	Pgs.
The work of the Institute.—(Review at 1953 T.R.I. Conference)	24.	1 & 2.	8
The principles of manuring	24.	1 & 2.	13
The principles of Pest Control (1) General	24.	1 & 2.	31
The principles of Pest Control (2) The use of insecticides ...	24.	1 & 2.	32
LANDRETH, J.			
The Engineering Department	22.	3.	121
Model factory made from scrap	23.	2.	52
A note on an improvement to pneumatic knapsack sprayers	23.	3.	86
LOOS, C. A.			
Pathological problems	22.	1.	27
The causative fungus (of Blister Blight)	22.	2.	63
Studies in Blister Blight control.—7. Power dusting with 'Cuprosana' dusts containing 2, 4 & 6 per cent. of copper ...	22.	4.	126
Studies in Blister Blight control.—8. Trials conducted with the 'Micron' power sprayer in connection with the application of oil based copper fungicides	22.	4.	133
Studies in Blister Blight control.—10. Evaluation of some copper containing fungicidal dusts in the control of Blister Blight disease of tea	23.	1.	6
Studies in Blister Blight control.—11. Dusting against Blister Blight on Alupolla Group, Ratnapura	23.	3.	76
The principles of Pest Control.—4. Eelworms	24.	1 & 2.	34
Studies in Blister Blight control.—12. Dusting and spraying against Blister Blight on Ury Group, Passara	24.	3.	70
A note on spraying and dusting against Blister Blight ...	24.	4.	97
MOLLISON, I. A.			
Desmodium ovalifolium as a cover crop for tea	23.	2.	53
NEWTON, GORDON K.			
The importance of tea factory organisation	23.	3.	90

	Vol.	Pt.	Pgs.
PFAELTZER, J. W.			
Studies in Blister Blight control.—6. An evaluation of some commercially available fungicides for the control of Blister Blight	22.	2.	52
PORTSMOUTH, G. B.			
Physiology of the tea bush	22.	2.	73
Field organisation	22.	2.	86
An estimate of the extent of crop losses on St. Coombs following the arrival of Blister Blight (*Exobasidium vexans*) in Ceylon	22.	2.	90
The role of green manuring in the maintenance of the fertility of tea soils	22.	3.	97
The weed problem on tea estates	22.	3.	101
Report of the work carried out by the Tea Research Institute in connection with the control of the Blister Blight Disease of tea during the period 1st April, 1950 to 31st March, 1951...	22.	4.	137
In Memoriam—The Rt. Hon'ble D. S. Senanayake, Prime Minister of Ceylon, 1948-1952	23.	1.	1
The principles of bush management	24.	1 & 2.	17
The principles of pest control.—3. Weedicides... ...	24.	1 & 2.	33
Review of 'Wild Flowers of the Ceylon Hills' *by T. E. T. Bond*	24.	1 & 2.	51
Thirteenth International Horticultural Congress, 1952 ...	24.	3.	65
Potash deficiency in tea	24.	4.	79
RETTIE, W. J.			
Shade trees for tea	24.	4.	90
RICHARDSON, A. E.			
The field stalk clipper	24.	1 & 2.	48
ROSE, E. S.			
A note on lime washing	24.	4.	94
RUSSELL, SIR JOHN			
Wastage of world food supplies through diseases and pests...	23.	2.	27

	Vol.	Pt.	Pgs.
Scott, R. C.			
Opening address by the Chairman of the Board of Control at the 9th biennial Conference	22.	1.	2
Summing up of the proceedings of the 9th T.R.I. Conference by the Chairman	22.	1.	37
Opening address by the Chairman of the Board of Control at the 10th biennial Conference	24.	1 & 2.	3
Chairman's Summary at end of 10th T.R.I. Conference ...	24.	1 & 2.	46
Temple, H. J.			
Comments on the Director's Review.—(at 1953 T.R.I. Conference)	24.	1 & 2.	11
Tutein Nolthenius, A. C.			
Replanting tea	22.	3.	108
Walter, T. E.			
Summary of discussion on the proceedings of the first day (of the 9th T.R.I. Conference)	22.	1.	4
The Low-country Sub-station.—An account of developments to-date	22.	3.	122
A survey of some Low-country problems	23.	3.	60
Drought	23.	4.	109
The principles of bringing new clearings into bearing in the Low-country	24.	1 & 2.	39
Webber, C. R.			
Quick withering	22.	1.	18
Webster, B. N.			
Infection chains and Acacias	23.	3.	70
A note on pathological matters	23.	3.	84
Chemical and biological control of insects in perennial crops (A Review)	23.	4.	117
Mycorrhiza	24.	1 & 2.	26
Widdows, J. O.			
Vegetative propagation in relation to the replanting of poor yielding areas	24.	1 & 2.	43

WORTHINGTON, T. B. *see* GORRIE, R. M.

	Vol.	Pt.	Pgs.
WRIGHT, S. J.			
A note on mechanization	24.	1 & 2.	22
Report on the possibilities of mechanizing tea cultivation in Ceylon	24.	3.	57
The mechanisation of the farm	24.	4.	98

TEA QUARTERLY

TITLE INDEX TO VOLS. 22, 23 & 24

	Vol.	Pt.	Pgs.
Acacias, Identification of Australian Wattles, introduced into Ceylon (R. M. Gorrie & T. B. Worthington)... ...	23.	3.	73
Infection chains and (B. N. Webster)	23.	3.	70
Root disease of (B. N. Webster)	23.	3.	85
Address by the Chairman of the Board (R. C. Scott) at 9th T.R.I. Conference	22.	1 & 2.	37
Address by the Chairman of the Board (R. C. Scott) at 10th T.R.I. Conference	24.	1 & 2.	3
Address by the Minister of Agriculture & Food (The Hon. Sir Oliver Goonetilleke at 10th T.R.I. Conference	24.	1 & 2.	4
Albizzia species, Defoliation of seedlings of (B. N. Webster) ...	23.	3.	84
Alupolla Group—Ratnapura, Dusting against Blister Blight on (C. A. Loos)	23.	3.	76
Application of fungicides (J. Lamb)	22.	2.	79
Australian Wattles introduced into Ceylon (R. M. Gorrie & T. B. Worthington)	23.	3.	73
Availability, Phosphate, after Guatemala grass (F. Haworth) ...	22.	4.	136
Banji and plucking, Questions and Answers on (W. H. W. Coultas & G. B. Portsmouth)	24.	3.	68
Biological and chemical control of insects in perennial crops (Review) (B. N. Webster)	23.	4.	117
Blending of teas to reduce excessively high copper contents (discussion at 9th T.R.I. Conference)	22.	1.	14
Blister Blight (*Exobasidium vexans*)			
Castlereagh Dusting Experiment (V. C. Baker at 9th Conference	22.	1.	11

	Vol. Pt. Page
Causative fungus (C. A. Loos)	22. 2. 63
Circulars (List of)	22. 4. 141
Control on Dessford Group, Nanuoya, in 1951 (R. C. Gatehouse)	23. 1. 15
Report on period 1st April, 1950—31st March, 1951 (G. B. Portsmouth)	22. 4. 137
Studies in	
6. An evaluation of some commercially available fungicides (J. W. Pfaeltzer)	22. 2. 52
7. Power dusting with 'Cuprosana' dusts containing 2, 4 & 6 per cent. copper (C. A. Loos) ...	22. 4. 126
Control, Studies in	
8. Trials conducted with the 'Micron' Power Sprayer in connection with the application of oil-based copper fungicides (C. A. Loos)	22. 4. 133
9. The effect of spray residues on the quality of manufactured tea (E. L. Keegel)	23. 1. 2
10. Evaluation of some copper containing fungicidal dusts in the control of Blister Blight disease of tea (C. A. Loos)	23. 1. 6
11. Dusting against Blister Blight on Alupolla Group, Ratnapura (C. A. Loos)	23. 3. 76
12. Dusting and spraying against Blister Blight on Ury Group, Passara (C. A. Loos)	24. 3. 70
Crop protection by wet spraying compared with crop protection by dusting in 1951 (J. Lamb)... ...	23. 1. 12
Crop Protection Courses:—(Lectures)	
1. Introductory lecture (J. Lamb)	22. 2. 55
2. The causative fungus (C. A. Loos)	22. 2. 63
3. Physiology of the tea bush (G. B. Portsmouth) ...	22. 2. 73
4. Fungicides and their application (J. Lamb) ...	22. 2. 79
5. Field organisation (G. B. Portsmouth) ...	22. 2. 86
6. An estimation of the extent of crop losses on St. Coombs following the arrival of blister blight (*Exobasidium vexans*) in Ceylon (G. B. Portsmouth)	22. 2. 90
Crop protection during plucking (discussion on C. A. Loos' paper)	22. 1. 6

	Vol. Pt. Pgs.
Crop protection during recovery from pruning (discussion on G. B. Portsmouth's paper)	22. 1. 4
Crop losses, An estimate of, at St. Coombs following arrival of Blister Blight (G. B. Portsmouth)	22. 2. 90
'Cuprosana', Power Dusting with, (C. A. Loos) ...	22. 4. 126
Disease resistance (discussion at 9th Conference) ...	22. 1. 10
Dusting (H. Dike at 9th Conference)	22. 1. 11
Dusting against Blister Blight on Alupolla Group, Ratnapura (C. A. Loos)	23. 3. 76
Dusting and Spraying against Blister Blight (C. A. Loos)	24. 4. 97
Dusting and Spraying against Blister Blight on Ury Group, Passara (C. A. Loos)	24. 3. 70
Dusting Experiments in Uva District (discussion at 9th Conference)	22. 1. 12
Dusting Experiment on Castlereagh (V. C. Baker) ...	22. 1. 11
Dusting of tea in bearing (discussion at 9th Conference)...	22. 1. 13
Dusting vs. Spraying (J. Lamb)	23. 1. 12
Dusting with 'Cuprosana' (C. A. Loos)	22. 4. 126
Dyes for dusting (discussion at 9th Conference) ...	22. 1. 12
Boron deficiency of brassicae at St. Coombs (F. Haworth) ...	23. 3. 86
Brown Blight (discussion at 9th Conference)	22. 1. 35
Bush management, The principles of (G. B. Portsmouth) ...	24. 1 & 2. 17
Case for longer plucking rounds in Uva (Anon)	22. 2. 51
Causative fungus of Blister Blight (C. A. Loos)	22. 2. 63
Chemical and biological control of insects in perennial crops (A Review) (B. N. Webster)	23. 4. 117
Circulars on Blister Blight, List of	22. 4. 141
Closing address by the Chairman (R. C. Scott) at 10th Conference	24. 1 & 2. 46
Coarse plucking, Relation of, to quality of made tea (E. L. Keegel)	22. 3. 112
Coir dust, On the use of, in manure mixtures (F. Haworth) ...	22. 3. 107
Comments on the Director's 'Review' at 10th Conference (H. J. Temple)	24. 1 & 2. 11
Compost (F. Haworth)	22. 3. 104
Conference, Proceedings of 9th	22. 1. 1
Proceedings of 10th	24. 1 & 2. 3

	Vol. Pt. Pgs.
Control, Chemical and biological, of insects (Review) (B. N. Webster)	23. 4. 117
Control of Pests, Diseases and Weeds (Editorial)	23. 3. 58
Control of Shade (discussion on T. E. Walter's paper) ...	22. 1. 7
Control, Principles of pest (J. Lamb)	24. 1 & 2. 31
Copper containing dusts, Distribution of (F. Haworth)	22. 3. 118
Copper containing fungicidal dusts, Evaluation of (C. A. Loos) ...	23. 1. 6
Copper fungicides, Spraying of nurseries with (B. N. Webster) ...	23. 3. 84
Copper fungicides, Trials with power sprayer and oil-based (C. A. Loos)	22. 4. 133
Copper tolerance as applicable to the U.S.A. & other countries (discussion at 9th Conference)	22. 1. 14
Copper contents, Blending of teas to reduce excessively high, (discussion at 9th T.R.I. Conference)	22. 1. 14
Cover crop for tea, *Desmodium ovalifolium* as a (T. M. Fernando) ...	22. 2. 49
Cover crop for tea, *Desmodium ovalifolium* as a (I. A. Mollison) ...	23. 2. 53
Deficiency, Boron, of brassicae on St. Coombs (F. Haworth) ...	23. 3. 86
Deficiency, Potash, in tea (G. B. Portsmouth)	24. 4. 79
Defoliation of seedlings of Albizzia species (B. N. Webster) ...	23. 3. 84
Desmodium ovalifolium as a cover crop for tea (T. M. Fernando) ...	22. 2. 49
Desmodium ovalifolium as a cover crop for tea (I. A. Mollison) ...	23. 2. 53
Dessford Group, Nanuoya, Blister Blight control on (R. C. Gatehouse)	23. 1. 15
Discussions at 9th Conference, on	
Manuring	22. 1. 36
Mechanical plucking	22. 1. 34
Pathological problems	22. 1. 35
Proceedings of the first day of 9th Conference, Summary of (T. E. Walter)	22. 1. 4
Tea manufacture	22. 1. 24
Diseases, control of pests weeds and (Editorial)	23. 3. 58
Diseases, Root, of Acacias (B. N. Webster)	23. 3. 85
Dissertation upon drink (J. Lamb)	23. 2. 40
Distribution of copper containing dusts (F. Haworth)	22. 3. 118
Drought (T. E. Walter)	23. 4. 109

	Vol. Pt. Pgs.
Dry weather, Lopping of Shade into (T. E. Walter)	23. 3. 84
Drink, Dissertation upon, (J. Lamb)	23. 2. 40
Dusting for control of Blister Blight see under Blister Blight ...	
Dusting tea-cum-rubber Estates (discussion at 9th Conference) ...	22. 1. 13
Eelworms (C. A. Loos)	24. 1 & 2. 34
Eelworms (discussion at 9th Conference)	22. 1. 35
Effect of spray residues on the quality of manufactured tea (E. L. Keegel)	23. 1. 2
Engineering Department (J. Landreth)	22. 3. 121
Establishment of green manures in mature tea areas (F. Haworth)	23. 4. 114
Estimate of the extent of crop losses on St. Coombs following the arrival of Blister Blight in Ceylon (G. B. Portsmouth) ...	22. 2. 90
Evaluation of some copper containing fungicidal dusts in the control of Blister Blight disease of tea (C. A. Loos)	23. 1. 6
Factory, Model, made from scrap (J. Landreth)	23. 3. 52
Factory organisation, Importance of tea (G. K. Newton) ...	23. 3. 90
Fertility in tea soils, Maintenance of (J. Lamb)	22. 2. 45
Fertility of tea soils & Green Manuring (G. B. Portsmouth) ...	22. 3. 97
Field organisation (G. B. Portsmouth)	22. 2. 86
Field Stalk Clipper (A. E. Richardson)	24. 1 & 2. 48
Foreword to 'The Importance of Tea Factory Organisation' (Sir Oliver Goonetilleke)	23. 3. 88
Fungicides and their application (J. Lamb)	22. 2. 79
Guatemala grass, Phosphate availability after (F. Haworth) ...	22. 4. 136
Green manures (discussion at 9th Conference)	22. 1. 10
Green manures, Establishment of, in mature tea areas (F. Haworth)	23. 4. 114
Green manuring, The role of, in the maintenance of the fertility of tea soils (G. B. Portsmouth)	22. 3. 97
Hard Plucking (discussion at 9th Conference)	22. 1. 9
Identification of Australian Wattles (Acacias) introduced into Ceylon (R. M. Gorrie & T. B. Worthington)	23. 3. 73
Importance of replanting (W. J. Childerstone)	24. 1 & 2. 21
Importance of 'Tea Factory Organisation'—Foreword by the Hon'ble Sir Oliver Goonetilleke	23. 3. 88
Importance of Tea Factory organisation (Gordon K. Newton) ...	23. 3. 90

	Vol.	Pt.	Pgs.
Impressions of spraying and dusting (discussion at 9th Conference)	22.	1.	15
Infection chains and Acacias (B. N. Webster)	23.	3.	70
Insects, chemical and biological control of (Review) (B. N. Webster)	23.	4.	117
Insecticides and fungicides (B. N. Webster)	23.	3.	85
Insecticides, Use of (J. Lamb)	24.	1 & 2.	32
Introductory lecture to Crop Protection Courses (J. Lamb) ...	22.	2.	55
In memoriam—The Rt. Hon'ble Don Stephen Senanayake (G.B.P.)	23.	1.	1
Knapsack sprayers, Note on an improvement to pneumatic (J Landreth)	23.	3.	86
Lime wash (discussion at 9th Conference)	22.	1.	36
Lime washing, Note on (E. S. Rose)	24.	4.	94
Lopping of low shade into dry weather (B. N. Webster)... ...	23.	3.	84
Losses of crop, An estimate of, following Blister Blight (G. B. Portsmouth)	22.	2.	90
Low-country, Principles of bringing new clearings into bearing in the (T. E. Walter)	24.	1 & 2.	39
Low-country problems, Survey of some (T. E. Walter)	23.	3.	60
Low-country Sub-station, An account of developments to-date (T. E. Walter)	22.	3.	122
Maintenance of fertility in tea soils (J. Lamb)	22.	2.	45
Maintenance of fertility of tea soils and green manuring (G. B. Portsmouth)	22.	3.	97
Manufacture, common problems in tea (E. L. Keegel)	22.	1.	20
Discussion on, at 9th Conference	22.	1.	24
Principles of (E. L. Keegel)	24.	1 & 2.	23
Quick withering (C. R. Webber)	22.	1.	18
Manufactured tea, Effect of spray residues on the quality of (E. L Keegel)	23.	1.	2
Manufacturing aspect: Vegetative Propagation of tea (E. L. Keegel)	24.	4.	82
Manure mixtures, On the use of coir dust in, (F. Haworth) ...	22.	3.	107
Manurial mixtures, A note on (J. Lamb)	23.	3.	87
Manurial problems, Questions and answers on (V. C. Baker & F. Haworth)	23.	3.	81
Manuring (discussions at 9th Conference)	22.	1.	36
Manuring, Principles of (J. Lamb)	24.	1 & 2.	13

	Vol.	Pt.	Pgs.
Manuring and resting (discussions at 9th Conference)	22.	1.	10
Mechanical plucking—(Discussion and comments on, at 9th Conference)	22.	1.	34
Mechanization, Note on (S. J. Wright)	24.	1 & 2.	22
Mechanization of the farm (S. J. Wright)	24.	4.	98
Mechanizing tea cultivation in Ceylon, Report on the possibilities of (S. J. Wright)	24.	3.	57
'Micron' power sprayer, Trials with, and oil-based copper fungicides (C. A. Loos)	22.	4.	133
Minor element nutrition of the tea bush in Ceylon (F. Haworth)	23.	3.	67
Minutes of the Meeting of the Board of the T.R.I. held on 20th December, 1950 ...	22.	1.	39
Do Do 20th April, 1951 ...	22.	2.	93
Do Do 7th September, 1951 ...	22.	4.	142
Do Do 21st December, 1951 ...	23.	1.	22
Do Do 1st March, 1952 ...	23.	2.	54
Do Do 18th July, 1952 ...	23.	4.	119
Do Do 21st November, 1952 ...	24.	1 & 2.	52
Do Do 19th December, 1952 ...	24.	3.	76
Do Do 17th July, 1953 ...	24.	4.	101
Miscellaneous notes (B. N. Webster, J. Landreth, F. Haworth & J. Lamb)	23.	3.	84
Mistblowing (E. J. Bals at 9th Conference)	22.	1.	13
Model factory made from scrap (J. Landreth)	23.	2.	52
Mosses and ferns (discussions at 9th Conference)	22.	1.	10
Mycorrhiza (B. N. Webster)	24.	1 & 2.	26
New clearings, Principles of bringing, into bearing in the Low-country (T. E. Walter)	24.	3.	39
Ninth Biennial Conference (Editorial)	22.	1.	1
Note on, an improvement to pneumatic knapsack sprayers (J. Landreth)	23.	3.	86
Boron deficiency of brassicae on St. Coombs (F. Haworth)	23.	3.	86
Lime washing (E. S. Rose)	24.	4.	94
Manurial mixtures (J. Lamb)	23.	3.	87
Mechanization (S. J. Wright)	24.	1 & 2.	22

	Vol. Pt. Pgs.
Pathological matters (B. N. Webster)	23. 3. 84
Phosphate availability after Guatemala grass (F. Haworth)	22. 4. 136
Nurseries, Spraying of, with copper fungicides (B. N. Webster) ...	23. 3. 84
Nutrition, Minor element, of the tea bush (F. Haworth) ...	23. 3. 67
